

“First Women”

Fall 2010

Ministry and Mission Schedule

First Baptist Church, Paducah

First Women

So many of us have enjoyed Bible study for many years and now have a bookshelf full of those courses. Others of us are just getting in the Word and are still a little intimidated by a 12-week course on one book of the Bible. This year we have something new in store for all of us. Beginning this fall we will embark on a 3-year book-by-book study of all 66 books of the Bible. Now don't feel overwhelmed! This will be a study where you cover a book of the Bible each week for just 22 weeks out of the year... and you'll have the rest of the year to make up any lessons that you missed. Instead of concentrating on just one area of the Bible, you will gain an understanding of how the entire book fits together and how Christ is literally written on every page!

Each lesson will involve videos, 5 days of homework and small group discussion. Yes, there will be history, but there will also be application, music videos and fellowship. There is a "complete read" for those of you who want to read every word in that week's book as well as a "quick read" designed with the working woman or busy mother in mind. I promise you, at the end of this study, we will all have a new understanding of God's word... "a lamp to my feet and a light to my path" (Psalm 119:105). For more information, check out the website: theamazingcollection.com.

This fall will also launch a new year of "Pageturners," our monthly book club and MOPS (Mothers of Preschoolers). We have two "Ladies Night Out" events planned as well as mission groups and mission opportunities. Now is the time to study this brochure, pray about the opportunities in front of you and then sign up and join the women of FBC on the path to study, fellowship and service!

See you on the Path,
